Sharon,

We have had some panics with Uncle Gus this year. Well, I guess today just about winds up Band for our school year but I wish you the very best in all you do in the future & may God bless you always.

Love Judy "Potter"

Sharon —

Boy, are you the lousy player. If you want lessons I'd be glad to give them to you for a small fee. Crumb between your playing and mine there's a difference of night & day. Come to think of it though, I think yours is the better. Seeing you're first chair and out of 3 alto sax's I'm 3rd chair. Oh well — Lots of luck to a real wonderful girl. I know you'll make good.
God bless you Always,
Linda Kitzmann

Sharon,
It was fun accompanying you at the music festival - you really are great at music. I'm sure you will use your talent in singing on playing. Best of luck in the future and may God bless you in all that you do.
Joanne,

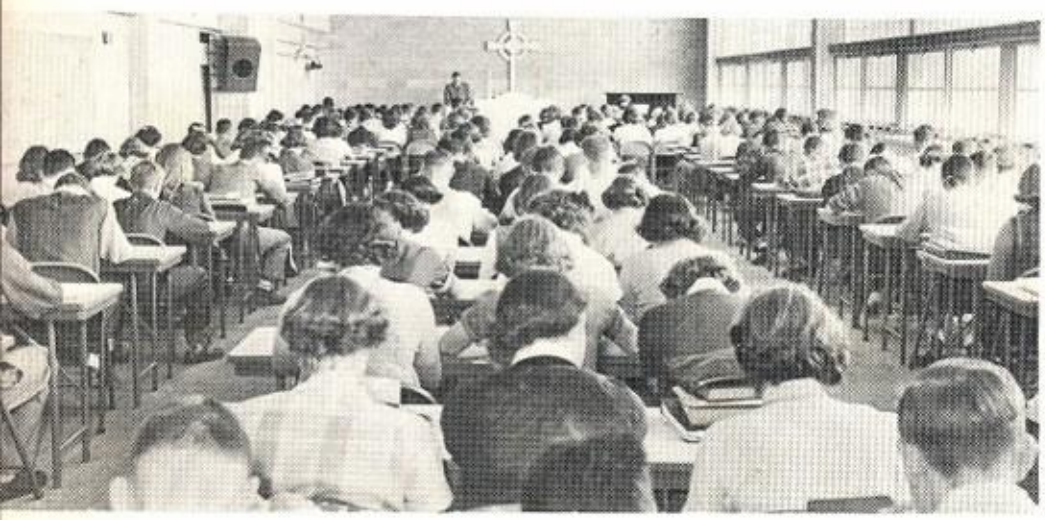
O Give Thanks Unto The Lord,

For He Is Good, And His

Mercy Endureth Forever.



Of Blessing

"And I am sure that when I come unto you, I shall come in the fulness of the blessing of the gospel of Christ." Romans 15, 29.

The Lord has richly blessed Lutheran High during its first ten years of residence in its present building. The greatest gift He has given us is the opportunity to share this gift with others.

Ordinarily the CITADEL is dedicated to a person, but this year we the 1961 CITADEL staff, dedicate our yearbook to our Lord, as a symbol of our thanks. We pray that His grace in guiding the spirit and growth of Lutheran High school will continue in the future.

Sharon:

I'll remember your first DAY too. And you'll think of it more on your LAST DAY too. So will I. I think I shall miss L.H.S. and all the miserable times associated with it. (pleasurable)

Don't forget me after you graduate - no matter how busy Buddy keeps you! Come with your - oh your MOTHERS - mine red convertible sometime this summer - so that I may ride for my first time with the future Mrs. Buddy — whatever his last name is.

When you get to about the 9th - little Buddy Jr. - call me - and we can have a real re-union!

God's richest blessings to you both.

Lois

P.S. When I'm sick I can come to you - when your nine reach the age of wisdom give them - or SEND them to me! I'll take care of them! — Or else I could give them clarinet lessons if their MOTHER isn't too busy!

You have been a wonderful friend to me. I appreciate this — I'm not really a NUT you know.

Sharon,

It was fun knowing you this year. I'll see you next fall. Good luck in algebra your year, and may God Bless you always.

Sue Andersen

Sharon,

As a fellow Walnut student, I only wish I could play as well as you. It's been fun knowing you and you were terrific at the Spring Concert. Best of luck always.

Janet Kalk

Sharon,

You're a real good clarinet player and excellent musician. Lots of luck and best wishes for the coming years.

Reddgill St

Sharon,
It sure was fun singing 2nd Soprano in choir with you. I can't possibly sing without you. (Ha Ha) I'm real glad I got to know you better this last year, and may God bless you in all you do in the future.

WHY NOT?

Dear Sharon,
(Refer to fresh-man yearbook + it contains the same things I'd like to say as a Senior!)
Seniors! Remember how eager we were always been to graduate and get out into the world? Now, at last we are. Just of course we'll always have to keep in touch. Oh! I remember saying on your yearbook of a few years back that we'd done so many enjoyable things together, and still be still true. Our trips to Chicago are just one example. Just a good double! must come up to Milwaukee next can keep on!
Now, too, can I say? without being reclusive, or sentimental? I could one say that our friendship and it must continue, that again, we'll have Course the year and Buddy every happiness But really I mean it all — it's been wonderful you and that you congratulate the man, because Buddy is so sleepy!! So miss you terribly. Do write soon. Congratulations
to Buddy. God likes you both.

Love,
Nancy

Dearest Nancy—
Received your letter today and was so glad to hear from you. Congratulations on your engagement to Buddy. I'm sure you will have a good life together. Buddy and I have been friends since we were in the first grade. I'm sure you will like him. He is a swell guy.
Thanks for writing.
Love,
Linda
Sorry I'm late.

Sharon doll-

Lots of luck to one of the sweetest - I use the word loosely - kids in school. Its been really a lot of fun knowing you and I hope we keep in touch. If you can spare some time from Buddy, that is. Lots of luck in the future - luck you need like an extra leg, you with your convertibles and your neat Buddy!

I need the Love, your drunkeness, on the extra leg now, thanks to blizzard!

Steff

Sharon

To one of the sweetest, most sincere girls I know. Its been fun knowing you these past years. Remember Washington D.C.? How could we forget "T.F.K.", etc. I'll never forget the ride in your "neat" car. I'm just a little girl from the country & I don't know how to act in a convertible! Lets take an old-Fashioned Walk" --- we sure shine on that.

God's richest blessings to you-

Marnie

Sharon,

Gee, our four years sure has gone by fast. During those years there ~~sure~~ sure has been a lot of fun and good times. Remember our trip to Washington? That bumpy train ride + the group we got stuck with on the way home. "Quiet you girls!" Remember? And, of course, how could I forget Nikita Gopkov. He did get us on the right train car in the end, at least. Another thing is Homecoming. I'm sure glad our homeroom took "first place" for decorations. Your breakfast was really neat too. Everyone had a good time + I just love those albums of yours. Its too bad that Buddy was sick during that time. Best of luck always to a real sweet girl. I'll see ya after graduation + Marlene

Remember all our times at the hospital? Pamela, right?

Dear Sharon,

Hee Hee Hee? Ho? Okay! Golly there's so much that I could write that I don't know where to start. We sure had some riots! Eating lunch together every day! Just think, next year you won't have my cheery face across from you; instead, you'll have someone else's. Boo Hoo. Remember Washington? I'll never forget it. "Hey, Sharon, look, Bud Ind-ind??" "Hey, Buddy's parked at the Wind Point of Washington!" We don't goof up on our plans to live in Washington — in our cute little colonial house. I still don't think you and Buddy should babysit together — yet. Don't forget our Banquet plans. I'll have to stop in sometime soon. I'll never forget the rides in your convertable, and when we went to McDonalds after taking the paper to Western and when we got back Mr. Hosfeldt was at school!! Help!

We'll still have to skip school just once! We're always such good girls! Remember when we met at Old Orchard? "Oh, you're Buddy's mother!" Me in my big mouth. Remember when Brad, Dean, Lee, Del, Ken, Bud you, and I went to the football game? My sides hurt so much from laughing & freaking & laughing (I was) remember the night we listened to Kelly & your Parents — I cried, then we went for pizza and we pushed four of us into the back seat of Buddy's car? I'm still full of bruises from after Homecoming.

Good luck with your mother-in-law type problems. Even if you're Engaged you can still come to me when you need help! Let's go to Washington and get that one pink dress for me, I love it! We should have a blast this summer. River View anyone?

Good luck and God bless you

Love,

Carole

P.S. Aren't you glad I'm going around quick me. to test your true personality finally came out?

-Sharon-

I really got to know you much better in room 300, Washington D.C. We really had a panic there you're really swell & a lot of fun. I wish you the very best of everything in all you do. You, and your smile will go real far, I'm sure.

Be good this summer and always.

"Max"

Sharon, had fun in choir but we only had fun with Mr. Koch. Be good & may God bless you in all future endeavorings.
